

How to View Athletic Eligibility in the Genesis Parent Portal

1. Log in to Genesis at <https://parents.mtps.com>
2. Navigate to STUDENT DATA->Athletics

If you are on a computer, your screen will look like this – please choose the correct child in the ‘SELECT STUDENT’ drop-down:

If you are on a mobile device, you will first need to click the hamburger menu (3 horizontal lines at the top left) and then be sure to select the correct child in the drop-down at the very top of the screen. Then, choose STUDENT DATA and then Athletics:

3. If your child is eligible, the eligibility for the current season will show up in green. If not eligible, the 'Spring Eligibility' (or whatever the current season is) will be red. In the examples below, the left student is not eligible because his physical is expired (it was good until 7/9/20, so was completed 365 days prior to that date). The example on the right below is eligible. You can see the physical exam date is 9/2/20 which is within 365 days of the beginning of the current spring season (4/12/21):
